

GETTING TO KNOW YOU - BIG FRIDGE

"Important Stuff"
at my house is proudly displayed on my refrigerator. The notes, photos, coupons, and other items reveal my personality and interests.

Directions:
Use words, pictures, or symbols to record the following items on your refrigerator.

- ❖ A favorite childhood game or toy
- ❖ The name of someone who makes you laugh
- ❖ Three numbers that are significant to you for any reason at all
- ❖ A significant personal or professional "first" you've had in the past year

Feel free to include any other "important stuff" that might appear on your refrigerator.

(If you prefer an uncluttered fridge, think bulletin board!)
